You are at the heart of all we do. Our Care Service Case Managers will help you tailor your own package of care and services which best suit YOU – your individual needs and desires.

We will help you maintain the lifestyle you wish to live, keeping you engaged with your community, interests and family life.

All our services are flexible. You can even keep your own cleaner or gardener if you're happy with the help you already receive.

Community Connections

All Bethel Home Care clients can join in group-based exercises at the premises of Ashfield Baptist Homes. You can also go on weekly bus outings in and around Sydney. We can provide transportation for both these activities.

And we speak your language
